

SHARING HOPE IN CRISIS

Location

Registration - 9am

Anticipated finish - 4.30pm

The Billy Graham Evangelistic Association in the UK is pleased to invite you to attend the one day **Sharing Hope In Crisis** seminar.

As a person who cares about our community we appreciate that you have many skills that assist and support others and make a positive difference to the lives of people. Because of our shared concern we invite you to this significant opportunity to further develop your knowledge, skills and experience.

This invaluable training opportunity will help prepare you to serve people in crisis, enhancing your existing ministry within your church and wider community.

Those with no previous training, as well as first responders, church leaders and others facing suffering people on a more regular basis should benefit from this seminar which includes:

- Developing personal and professional skills to enhance your service to others
- Biblical view of suffering
- Effects of trauma and the process of grief
- How to provide emotional and spiritual care
- What to say and what not to say when people grieve
- Learning about the Rapid Response Team ministry

Visit the **Rapid Response Team** ministry at www.billygraham.org.uk and enter your details to register.
